Display To Recognize Scott County High Schools Athletic Programs – Dennis Templeton

I recommend that we install a display for each high school to recognize our Scott County high schools athletic programs for earning several Virginia State Championship Titles in the past 50 years. It is time to recognize all the hard work, dedication and achievements of these athletes and coaches. We would install the displays as we have the funds to support this project. For the Gate City site, I suggest the display be placed on the incline bank between Gate City High School and the northwest corner of the bridge.
