MEMORANDUM

FROM: Mrs. Jennifer Frazier

Date: March 1st 2012

RE: Meal Prices

Based on the Superintendent's Memo # 100-11 which was issued on April 7, 2011, Scott County Schools will be required to increase lunch prices for full pay-high school, middle school and adult meals. School divisions with lunch prices between $1.60 and $2.46 are required to raise meal prices a minimum of $0.05 for the 2011-2012 academic year and an additional $0.10 each year until the meal prices reach the $2.46 standard. The 2010-11 full price of $ 1.80 will was increased to $1.85 for the 2011-12 school year. For the 2012-13 school year, high school and middle school lunch will increase to $1.95.

Meals served to adults are not eligible for federal reimbursement, nor do they count toward determining the value of USDA donated food assistance. Federal reimbursement, students' meal payments and other nonprofit food service revenue cannot be used to subsidize meals served to adults. Meals served to adults much be priced so the payment is sufficient to cover the entire cost of price charged to students paying full price ($1.85), plus the current value of USDA cash and donated food assistance ($0.26 reimbursement plus $0.21 commodities), plus the value of state lunch reimbursement ($0.05) My recommendation is to raise the price for adult meals to $2.75 to ensure all cost of meals are covered for the next two years.

The following information details current lunch prices and the minimum price increase for student and adult lunches in Scott County for the next two years as required by the Virginia Department of Education (VDOE). All information is based on current guidance from VDOE
