

OptumRx consumer portal

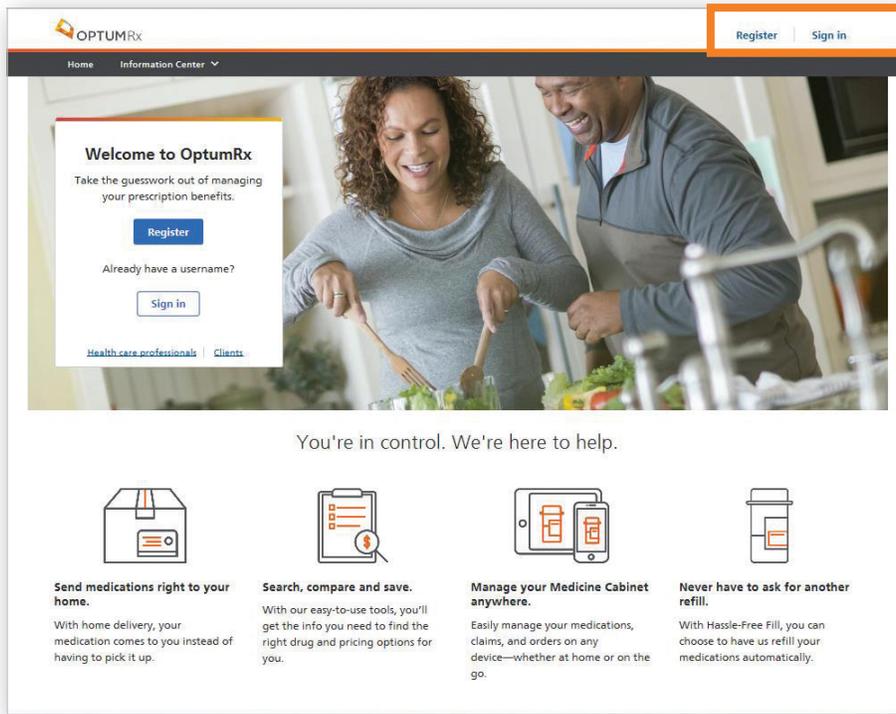

Simplifying the online pharmacy experience

The OptumRx[®] consumer portal empowers members to become informed advocates of their own health by allowing them to easily manage and gain deeper insight into their prescription benefits.

Simple: The responsive design makes it easy for consumers to access their complete profile to manage their prescription benefits on any device.

Smart: With accurate drug pricing, proactive messaging on cost savings, and detailed order status information, all of the user's real time benefits information is readily available.

Seamless: Consumers can enroll in text message reminders for taking their medications as well as when they need to refill or renew prescriptions and when orders have shipped.

The screenshot shows the OptumRx consumer portal homepage. At the top left is the OptumRx logo, and at the top right are links for "Register" and "Sign in". Below the navigation bar is a large banner image of a woman and a man smiling while preparing food. On the left side of the banner is a white box with the text "Welcome to OptumRx" and "Take the guesswork out of managing your prescription benefits." Below this text are "Register" and "Sign in" buttons. At the bottom of the banner are links for "Health care professionals" and "Clients". Below the banner is the heading "You're in control. We're here to help." followed by four icons and their corresponding descriptions:

- Send medications right to your home.** With home delivery, your medication comes to you instead of having to pick it up.
- Search, compare and save.** With our easy-to-use tools, you'll get the info you need to find the right drug and pricing options for you.
- Manage your Medicine Cabinet anywhere.** Easily manage your medications, claims, and orders on any device—whether at home or on the go.
- Never have to ask for another refill.** With Hassle-Free Fill, you can choose to have us refill your medications automatically.

Register or sign in to **optumrx.com** to take advantage of these features.

My Medicine Cabinet

Upon log in, consumers will see their My Medicine Cabinet dashboard. This makes it easy for them to view their real time benefits and access the many tools and features to help them manage their medications and health from a single page.

Once registered on the website, users can access:

1. Household access

Ability to manage prescriptions on behalf of family members

2. Order status

Consumers are able to track where their home delivery order is within the process and view order hold information if applicable

3. Proactive savings messaging

Advocates for the consumer by providing proactive ways to save such as transferring retail prescriptions to home delivery

4. Member tools

Provides easy access to the most commonly used member tools throughout the site

5. Medicine cards

Provides visibility to the most relevant information for medications a member takes

The screenshot shows the OptumRx My Medicine Cabinet dashboard. At the top, there is a navigation bar with 'OPTUMRx' logo, 'Graham sign out', 'Messages', and 'Cart'. Below the navigation bar, the 'My Medicine Cabinet' header includes the user's name 'Graham' and a note 'You manage 3 household members. Choose who you want to view'. A sidebar on the right contains 'Member tools' and icons for 'Drug search', 'Home delivery', 'Low-cost options', and 'Pharmacy locator'. The main content area is divided into sections: 'At a glance' with a 'Track orders' button and a 'Savings Advisor' message; 'Sort medications by:' with a 'Priority actions (default)' dropdown and 'Grid view'/'List view' buttons; 'OptumRx Home Delivery: 9 medications' with three medication cards (Fluvoxamine, Cardura, Crestor); and 'Retail pharmacies: 3 medications' with three medication cards (Tamsulosin, Acarbose, Acetazolamid). A 'Transfer to Home Delivery' button is visible at the bottom of the retail pharmacy section.
