

Provider Directory

Network : MedCost Virginia
Print Date : January 4, 2024
Report Criteria: 30 Mile Provider Directory for All Specialties.
Zip Code: 24649

For questions or assistance with the provider information displayed in this directory, please call the MedCost Virginia Customer Service Department at 804-320-3837 or 800-989-3837.

MedCost Virginia strongly recommends you contact your selected provider before obtaining services to verify that they still participate in the network.

MedCost Virginia makes every effort to maintain its directory lists on the Web site and to keep them up-to-date. However, please note that providers are added and removed from the network on a daily basis. Online provider directory is provided as a service only and MedCost Virginia is **not responsible** for actions taken by individuals accessing the provider directory on this Web site.

When you see a physician practice listed as a participating provider in the MedCost Virginia network, remember that not every physician in that practice may be credentialed and considered an in-network provider. If you select a physician that is not a MedCost Virginia participating provider, your benefits may be reduced.

When you arrive at a physician's office, hospital, or facility, present your health insurance card.

If you have any questions about the participation of a physician, hospital, or facility, please call MedCost Virginia Customer Service at 804-320-3837 or 800-989-3837.
