

## Provider Directory

Network : MedCost Virginia  
Print Date : January 4, 2024  
Report Criteria: 30 Mile Provider Directory for All Specialties.  
Zip Code: 24271

For questions or assistance with the provider information displayed in this directory, please call the MedCost Virginia Customer Service Department at 804-320-3837 or 800-989-3837.

**MedCost Virginia strongly recommends you contact your selected provider before obtaining services to verify that they still participate in the network.**

MedCost Virginia makes every effort to maintain its directory lists on the Web site and to keep them up-to-date. However, please note that providers are added and removed from the network on a daily basis. Online provider directory is provided as a service only and MedCost Virginia is **not responsible** for actions taken by individuals accessing the provider directory on this Web site.

When you see a physician practice listed as a participating provider in the MedCost Virginia network, remember that not every physician in that practice may be credentialed and considered an in-network provider. If you select a physician that is not a MedCost Virginia participating provider, your benefits may be reduced.

When you arrive at a physician's office, hospital, or facility, present your health insurance card.

**If you have any questions about the participation of a physician, hospital, or facility, please call MedCost Virginia Customer Service at 804-320-3837 or 800-989-3837.**
