PUBLIC COMMENTS: A parent from the audience expressed thanks for investing in Scott County with regard to the Sports Complex facility. He stated that he is an assistant coach for the girls' softball team and asked that consideration be given to the continued use of the current practice facility. He explained that since both the varsity and junior varsity coordinate practices and due to the limited time in the afternoon and inclement weather as well, it makes a difference in the winter months. Superintendent Scott reported that the current plans are to continue using the facility.

Muriel Sickmen requested to be placed on the agenda for public comments but did not appear before the Board.

APPROVAL OF NOVEMBER 3, 2010 REGULAR MEETING MINUTES: On a motion by Mr. Meade, seconded by Mr. Campbell, all members voting aye, the Board approved the Wednesday, November 3, 2010 Regular Meeting Minutes.

Scott County Head Start invoices & payroll in the amount of \$83,150.38 as shown by warrants #9213-9289 (voided #9274).

UPDATE ON TESTING REQUIREMENTS: Tammy Quillen, Director of Testing, commented that each year when she stands before the Board with test results she always brags that she has the pleasure of coming before them and sharing such wonderful news. However, she stated that tonight's presentation is somewhat different. She commented that with some changes coming, she hopes to continue to stand, over the next few years and give such glowing presentations. She stated that she wanted the Board to be notified of some changes that are not only coming down from the Virginia Department of Education but the U.S. Department of Education as well.

She explained that assessment in Virginia is changing and presented the following: 1. SOL has a built-in Revision Schedule resulting in revised tests – she explained that when there are revisions, assessments must be reviewed as well.

2. Non-print Movement – Digital transformation – she reported that this is a requirement by 2013 and explained situations on how this could mean a dip in test scores. She reported that the only exception is if a student has an IEP that distinguishes the clarification that pencil and paper must be used.

3. Increasing Accreditation and AYP ratings

4. The American Recovery and Reinvestment Act & State Fiscal Stabilization Fund – she explained that the “federal stimulus money” awarded to the state of Virginia has consequences tied to it that will impact the school division as well. New Educator Evaluation Model – she explained that a new evaluation model for professional employees was put into place this year, which includes a rating scale. She explained that not only is a teacher's first and last name being linked; but, their licensure number as well. She further explained that this could make teachers more nervous and uncomfortable. Growth Model – She reported that this is in the very beginning stages for Virginia but allows for more detailed comparison of student test data. Differentiated Compensation Pay – She reported that with some of the grant awards of federal stimulus money there were ties to merit pay for teachers producing the scores. The Common Core Standard Movement – she explained that 42 states are participants but Virginia refused to participate. She explained that Virginia had invested much technology into exceptionally rigorous standards and had assessments tied to them and; therefore, why would we abandon them. She reported that Virginia understands the facts behind the reason to participate in them.

Ms. Quillen presented the timelines for changes in testing for 2010-2011, 2011-2012 and 2012-2013. She reviewed and explained to the Board the general changes for 2010-2011 including History, Math, VGLA3-8, VMAST: New Assessment replacing VGLA is introduced and VAAP 3-8, 11.

DISCUSSION CONCERNING SCOTT COUNTY'S COMPREHENSIVE SERVICES

ACT GROUP: It was discussed and brought to the superintendent's attention by a school board member that the Comprehensive Services Act Group (severely handicapped committee) needs to be reviewed and it was commented that there was no representation at all for Scott County this past year.

DISCUSSION CONCERNING VOLUNTEER COACHES AND OTHER ITEMS

BEING BROUGHT BEFORE THE BOARD: School board members, Transition Superintendent Baker and Dr. Johnson, Director of Personnel, discussed that volunteer coaches and any other items being submitted to the board need to be done so in a timely manner. It was discussed that due to a lack of planning at the schools, volunteer coaches are continuously being submitted for approval and often are received just prior to the meeting or often after packets have already been sent out. It was suggested that any items not in the packet not be voted on until the next meeting. It was also pointed out that it takes 12 weeks to get a background check completed. One school board member requested that documentation of background checks be attached to their personnel list being submitted for approval and another member suggested that a policy be put in writing.

Transition Superintendent Baker stated that schools will be warned that this is not acceptable, not fair to the central office and administrative staff or to the board members making the decisions. He stated that he will work with Dr. Johnson and the schools on this matter to make sure they know people need to be in place and approved at a certain date unless somebody resigns so that we are not doing this month after month.

RETURN FROM LEAVE-OF-ABSENCE: On the recommendation of Dr. Kellie Johnson, Director of Personnel/Instruction, and on a motion by Mr. Campbell, seconded by Mrs. Blair, all members voting aye, the Board approved Justin Seaver's return from leave-of-absence and assignment to Dungannon Intermediate/Fort Blackmore Primary Schools for the second semester of the 2010-2011 school year.

RESIGNATION: On the recommendation of Dr. Kellie Johnson, Director of Personnel/Instruction and on a motion by Mr. Campbell, seconded by Mrs. Blair, all members voting aye, the Board approved the resignation request of Miranda Oaks, Gate City High School Teacher, effective December 31, 2010.

EMPLOYMENT: On the recommendation of Dr. Kellie Johnson, Director of Personnel/Instruction and on a motion by Mr. Templeton, seconded by Mrs. McClelland, all members voting aye, the Board approved the employment of Beth Baker as a part-time speech therapist, effective December 1, 2010. Dr. Johnson explained that two speech therapists went from working 4 days per week to 3 and although a day was lost for each one Ms. Baker will work one day a week and make up for one of those days.

APPROVAL OF VOLUNTEER COACHES: On the recommendation of Dr. Kellie Johnson, Director of Personnel/Instruction, and on a motion by Mrs. Blair, seconded by Mr. Campbell, all members voting aye, the Board approved volunteer coaches for the 2010-2011 school year as follows:

AUTHORIZATION OF GREG BAKER, TRANSITION SUPERINTENDENT, TO ASSIGN AND REASSIGN PERSONNEL: On a motion by Mrs. McClelland, seconded by

Mr. Templeton, all members voting aye, this Board hereby authorizes Greg Baker, Transition Superintendent, to succeed Superintendent Scott with the same authority to assign and reassign personnel at his discretion within the school division.

AUTHORIZATION OF GREG BAKER, TRANSITION SUPERINTENDENT, TO SIGN DOCUMENTS: On a motion by Mrs. McClelland, seconded by Mr. Meade, all members voting aye, this Board hereby authorizes Greg Baker, Transition Superintendent, to succeed Superintendent Scott with the same authority to sign school division documents.

AUTHORIZATION OF TRANSITION SUPERINTENDENT, GREG BAKER, TO GIVE DR. KELLIE JOHNSON, DIRECTOR OF PERSONNEL/INSTRUCTION, THE AUTHORITY TO SIGN DOCUMENTS AND ASSUME DUTIES OF SUPERINTENDENT: On a motion by Mrs. McClelland, seconded by Mr. Templeton, all members voting aye, this Board hereby authorizes Transition Superintendent, Greg Baker, to designate Dr. Kellie Johnson, Director of Personnel/Instruction, to sign documents and assume all duties of superintendent on his behalf in his inability or absence.

APPROVAL OF SCHEDULE OF SCHOOL BOARD MEETINGS FOR 2011: Greg Baker, Transition Superintendent, presented and requested approval of a calendar of school board meetings for 2011. He explained that he proposes that beginning in January that we move the meetings around to the different schools and communities and meet there rather than the central office. He further explained that he spoke with principals to make sure that they knew the reason we would like to try this and that it is not for them to fix food or for us to come and eat dinner with them. He stated that in the past schools thought they were under obligation to do things. He explained that he would like to be in the communities and in the schools and let the Board go into all the buildings during the year and see everything. He also explained that this would be an opportunity for the principal, under no obligation, but, if they wanted to showcase something for the school board. Also, if there are things that need to be seen they can be seen while they are there. He reported that with people he has talked with, the idea has been widely accepted; and, enthusiastically so, that we do this. He requested that the Board could try this and explained that with the proposed schedule of meetings a meeting would be held in each of the districts in the county during the first six months.

Ms. McClelland expressed that her only concern is that it's going to put more pressure on a principal to think they have to outdo the other but she doesn't want them doing anything and wanted that to be made perfectly clear to the principals. Mr. Baker stated he would make it perfectly clear to the principals that we are coming for a meeting, not to socialize or for one to try to outdo the other; and, that he would be very unhappy if that happens.

On a motion by Mr. Templeton, seconded by Mr. Campbell, all members voting aye, the Board approved a schedule of meetings for 2011 as follows:

THANK YOU AWARD PRESENTED TO SUPERINTENDENT SCOTT: Justin Forrester, Scott County Education Association President, expressed that, as Superintendent Scott is retiring, the SCEA is presenting him a “Thank You Award” from all the teachers for his hard work over the years.

BOARD MEMBER COMMENTS: Board members commended Superintendent Scott for his dedicated efforts on behalf of the school system, his friendship and the legacy of his tenure.

TRANSITION SUPERINTENDENT’S COMMENTS REGARDING RETIRING SUPERINTENDENT SCOTT: Transition Superintendent Baker thanked Superintendent Scott for his friendship, expressed that he has been a guide and mentor to many; commended him for his foresight, and, spoke on the quiet manner in which he would do things while not expecting fanfare. He expressed that nobody could replace Mr. Scott but he would focus on moving the system forward.

Superintendent Scott stated, “I will say one thing. I have worked with Greg and Kellie since November 1st. Kellie comes to me and asks questions every day about different things. I really feel that both will be a great asset to the county. I would ask that this Board do one thing, everybody at this table. I’ve heard you all say, time and time again, ‘well, as long as we do it for the kids, we can’t go wrong.’ I would ask that you all keep that in mind because that is very true. Whatever you do, if you do what is best for the kids, you can go home in the afternoon and feel good about it. Thank you all for everything.”

ADJOURNMENT: On a motion by Mr. Campbell, seconded by Mrs. Blair, all members voting aye, the Board adjourned at 7:36 p.m.
