**RULES OF CONDUCT**

1. The "Procedure For Adjusting Grievances" as promulgated in the Virginia Department of Education pursuant to Va. Code Section 22.1-308 shall apply.
2. The Chairman of the School Board shall chair the hearing.
3. The teacher and the division superintendent may be represented by legal counsel or other representatives. The hearing before the school board shall be private, unless the teacher requests a public hearing.
4. The Chairman shall open the hearing by inquiring of the division superintendent and teacher or their representatives if they have any issues to raise as to whether the substantial procedural requirements of Part III of the "Procedure For Adjusting Grievances" have been complied with. In any case in which there is a factual dispute as to whether the procedural requirements have been met or just cause has been shown for failure to comply, the school board shall have the option of allowing the grievance to proceed.
5. The School Board shall ask for opening statements from the division superintendent and teacher or their representatives involved at the beginning of the hearing and at the discretion of the school board may allow closing statements by the parties.
6. The parties shall then present their claims in evidence. Witnesses may be questioned by the superintendent and the teacher or their representatives. The school board shall afford full and equal opportunity to all parties for presentation of any material or relevant evidence and shall afford the parties the right of cross-examination of witnesses. Witnesses may also be questioned by the school board.
7. The parties shall produce such additional evidence as the school board may deem necessary to its understanding and determination of the matter. The school board shall be the judge of relevancy and

materiality of the evidence offered. All evidence shall be taken in the presence of the school board and the parties.

8. Exhibits and documents offered by the division superintendent or teacher may be received in evidence by the school board and, when so received, shall be marked and made a part of the record.

9. The decision of the school board shall be based on the transcript, the findings of the fact, and any evidence relevant to the issues of the original grievance produced at the school board hearing in the presence of each party.

10. In those instances when licensed personnel are dismissed or resign due to a conviction of any felony, any offense involving the sexual molestation, physical or sexual abuse or rape of a child, any offense involving drugs, or due to having become the subject of a founded case of child abuse or neglect, the local school board shall notify the Board of Education within 10 business days of such dismissal or the acceptance of such resignation.

11. A record or recording of any hearing conducted pursuant to this section shall be made. The parties shall share the cost of the recording equally. In cases of dismissal, the record or recording shall be preserved for a period of six months. If the school board requests that a transcript be made at any time prior to expiration of the six-month period, it shall be made and copies shall be furnished to both parties. The school board shall bear the cost of the transcription.

12. The school board may dismiss or suspend a teacher upon a majority vote of a quorum of the school board, but such vote must be made in open session.

13. The school board may, in its discretion, hear a recommendation for dismissal and make a determination whether to make a recommendation to the Board of Education regarding the teacher's license at the same hearing, or hold a separate hearing for each action.

14. The school board shall give the teacher its written decision as soon as practicable and no more than 30 days after the completion of the hearing before the school board.

15. The school board's attorney, assistants, or representatives, if he, she, or they represented a participant in the prior proceedings, the grievant, the grievant's attorney, or representative and, notwithstanding the provisions of VA. Code 22.1-69, the superintendent shall be excluded from any executive sessions of the school board which has as its purpose reaching a decision on a grievance. However, immediately after a decision has been made and publicly announced, as in favor of or not in favor of the grievant, the school board's attorney or representative and the superintendent may join the school board in executive session to assist in writing of the decision.
