APPLICATION FOR AN INITIAL VIRGINIA LICENSE

(Application for a teaching license, collegiate professional license, postgraduate professional license, or pupil personnel services license)

Thank you for your interest in obtaining a Virginia license. Please follow the application instructions and return all completed information in a <u>single packet</u>. If you are employed in a Virginia educational agency, please submit your completed application packet directly to the appropriate individual in your Virginia school division or Virginia accredited nonpublic school.

If an incomplete application packet is submitted or a license cannot be issued, your application will be retained for only one year. After that time, a new application must be submitted. An updated application is required for a license to be issued.

CRITERIA FOR SUBMITTING AN APPLICATION FOR AN INITIAL LICENSE

Please reference the *Licensure Regulations for School Personnel* on the Virginia Department of Education's website for all requirements for a license.

You may submit an application for an <u>initial</u> Virginia license if you meet the criteria in at least one of the following:

- Have completed a state-approved preparation program, including student teaching or at the graduate level, a clinical practicum or internship. (If you have completed a Virginia approved program and are not employed by a Virginia school division or Virginia accredited nonpublic school, request that your application be submitted by the college or university or the Career Switcher program provider.)
- Hold an active, valid license from another state with no deficiencies with comparable endorsement(s) to those offered in Virginia.
- Are employed full-time as an educator under contract by a Virginia school division or a Virginia accredited nonpublic school. (Please submit your application directly to the Virginia employing school division or the Virginia accredited nonpublic school.)
- Are military personnel or veteran applying for a Virginia license.

IMPORTANT NOTICE

The submission of an application for a Virginia license or request for license renewal may result in the denial of a license for any reason listed in the Licensure Regulations for School Personnel, 8 VAC20-23-750. The denial of a license is an adverse licensure action that is reported to division superintendents in Virginia and to chief state school officers of the other states and territories of the United States and could affect the status of any license or certificate that the applicant holds in another state and/or the status of any application for a license or certificate that the applicant has submitted or may submit in another state. An individual will not be denied a license without being given the opportunity for a hearing as specified in the licensure regulations 8 VAC20-23-780c.

INSTRUCTIONS FOR APPLYING FOR AN INITIAL VIRGINIA LICENSE FOR TEACHERS, ADMINISTRATORS AND SUPERVISORS, AND PUPIL PERSONNEL SERVICES PERSONNEL

Please follow the instructions to assemble your application packet. Submit the application, including the forms and documents requested, in <u>a single packet</u> to the Virginia Department of Education, Division of Teacher Education and Licensure, P.O. Box 2120, Richmond, Virginia 23218-2120.

Step 1: Application Form

Please respond to all questions on the application form. <u>SIGN AND DATE BOTH PAGES OF THE</u> <u>APPLICATION</u>. <u>Original signatures with a current date are required</u>. **The applicant is responsible for notifying the Department of Teacher Education and Licensure in writing of mailing address changes**.

NOTICE: In accordance with § 63.2-1937 of the *Code of Virginia*, the Virginia Department of Education requires applicants for teacher licensure in Virginia to provide their Social Security numbers. Additionally, Virginia uses applicants' Social Security numbers to check the clearinghouse maintained by the National Association of State Directors of Teacher Education and Certification (NASDTEC) for license revocation, cancellation, suspension, denial, and reinstatement in other states. Virginia also reports information to the clearinghouse as needed. The Virginia Department of Education will not release your Social Security number except to the NASDTEC clearinghouse to report cases of license revocation, cancellation, suspension, denial, and reinstatement as noted above. <u>Please note that if you do not provide your Social Security number, your application will not be processed and no Virginia teaching license will be issued.</u>

<u>NOTICE</u>: The name and address of a person applying for or possessing a license may be disseminated pursuant to a request under Section 2.2-3802(5) of the *Code of Virginia*.

If you responded affirmatively to any of the questions in **Part II** of the application, a letter of explanation and requested documentation must be submitted.

Step 2: Nonrefundable Application Fee

The in-state fee is \$100, and the out-of-state fee is \$150. The fee is determined by the address on your application. Attach a certified check, cashier's check, money order, or personal check made payable to the *Treasurer of Virginia*. <u>A \$50 processing fee is assessed for a check returned for any reason</u>. Returned checks are subject to collection action.

Step 3: College Verification Form

If you have completed undergraduate and/or graduate state-approved preparation programs, the College Verification Form must be completed by the certification/licensure officer of the college or university where you completed <u>each</u> program. The student teaching/practicum/internship verification (Part III) must be completed for each student teaching/practicum/internship experience. If you hold an active out-of-state license (full credential without deficiencies) from another state and are seeking only endorsement(s) on that license comparable to endorsement(s) in Virginia, this form is not required.

Step 4: Report on Experience

This form must be completed by the appropriate official(s) at a public school division or accredited nonpublic school if you have completed at least one year of full-time contractual teaching or other contracted instructional school professional experience at a public or accredited nonpublic school.

Step 5: Professional Teacher's Assessment Scores

Include a copy of the score reports for the Virginia licensure assessments taken and passed. Electronic scores sent to the Department from the testing companies are not always transferred; therefore, include copies of score reports. Please refer to the <u>testing information</u> on the Licensure website.

Effective July 1, 2018, House Bill 1125 states in part:

...For individuals who have obtained a valid out-of-state license, with full credentials and without deficiencies, that is in force at the time the application for a Virginia license is received by the Department of Education. Each such individual shall establish a file in the Department of Education by submitting a complete application packet, which shall include official student transcripts. No service requirements or licensing assessments shall be required for any such individual...

Individuals who hold an active out-of-state license (full credential without deficiencies) in a state other than Virginia may be exempted from the professional teacher's assessment requirements.

Step 6: Official Student Transcripts

Include official transcripts from all colleges and universities attended. Contact the registrar's office of each college or university where you have earned a degree or completed coursework. Request official student transcripts to be sent to you, and submit the transcripts with your application packet. Official student transcripts that have been issued to students are acceptable. {Do **not** have transcripts sent directly from the institution to this office.}

Some institutions contract with other companies to issue official transcripts. The transcripts may be accepted if received in sealed envelopes. Placement records sent from colleges, electronic transcripts, grade reports, PDFs, photocopies, and student printouts of transcripts will not be accepted or returned. **Please do not have transcripts sent directly from the institution to this office.**

Step 7: Out-of-state License(s)

Include a **photocopy** of each of your active out-of-state license(s), and any additional documentation received with the license(s), if applicable.

Step 8: Certification of Child Abuse and Neglect Recognition and Intervention Training

Include a copy of the certificate verifying completion of this statutory requirement. Individuals seeking initial licensure must complete study in child abuse and neglect recognition and intervention in accordance with curriculum guidelines approved by the Virginia Board of Education. A <u>training module</u> is available at no cost.

- Individuals must select the "Required Training/Courses" tab under the heading "Child Protective Services."
- Then select the "Child Abuse and Neglect: Recognizing, Reporting, & Responding (for educators)."

To print the certificate after completing the training, the computer must be connected to a printer.

Step 9: Emergency First Aid, CPR including Hands-on Practice, and AED Training or Certification

Include documentation verifying this statutory requirement has been met. Every person seeking initial licensure or renewal of a license shall provide evidence of completion of certification or training in emergency first aid, cardiopulmonary resuscitation, and the use of automated external defibrillators. The certification or training program shall (i) be based on the current national evidence-based emergency cardiovascular care guidelines for cardiopulmonary resuscitation and the use of an automated external defibrillator, such as a program developed

by the American Heart Association or the American Red Cross, and (ii) <u>include hands-on practice</u> of the skills necessary to perform cardiopulmonary resuscitation. The Board shall provide a waiver for this requirement for any person with a disability whose disability prohibits such person from completing the certification or training.

An individual requesting a waiver must submit a "Request for a Waiver Form."

The following must be included on official documentation submitted to the licensure office by an individual:

- Individual's full name.
- Title or description of training or certification completed that clearly indicates that all three components were included: 1) emergency first aid, 2) CPR <u>including hands-on practice</u>, and 3) use of AEDs. Documentation must clearly indicate that hands-on CPR practice was included in the training. If your documentation does not clearly indicate that hands-on practice was included you will need to attach additional documentation such as a letter from the instructor.
- Date the training or certification was completed.
- Signature and title of the individual providing the training or certification or a printed certificate from the organization or group that provided the training or certification. Legible copies of wallet-sized certification cards or other sized certifications, containing the above information, from organizations providing current national evidence-based emergency cardiovascular care for cardiopulmonary resuscitation and the use of an automated external defibrillator, such as a program developed by the American Heart Association or the American Red Cross will be accepted.

Step 10: Dyslexia Awareness Training

Include a copy of the certificate verifying completion of this statutory requirement. Individuals seeking initial licensure shall complete awareness training on the indicators of dyslexia, as that term is defined by the Board pursuant to regulations, and the evidence-based interventions and accommodations for dyslexia. A <u>dyslexia</u> <u>module</u> is available at no cost.

To print the certificate after completing the training, the computer must be connected to a printer.

Step 11: Applicable to Individuals Seeking an Initial License with Endorsement(s) in an Area of Career and Technical Education: Industry Certification Credential (Career and Technical Educators Only)

Individuals applying for an initial license with a career and technical education endorsement must include documentation verifying the industry credential statutory requirement has been met for the endorsement requested.

"Industry certification credential" means a career and technical education credential that is earned by successfully completing a Virginia Board of Education-approved industry certification examination, being issued a state professional license, or successfully completing an occupational competency examination. Please note that this requirement is in addition to all other licensure requirements for the endorsement you are seeking. For additional information on this requirement, please refer to the *Industry Credentials for Teachers Seeking an Initial Virginia License with Endorsement(s) in an Area of Career and Technical Education Guidance Document.* You also may access the Guidance Document by referring to <u>Virginia Department of Education's website</u> and selecting "Superintendent's Memos" under the "Quick Links" at the top, right-hand side of the page. <u>Superintendent's Memo #152-16</u> was posted on June 23, 2016.

The *Code of Virginia* requires that a teacher seeking an initial license in the Commonwealth with an endorsement in the area of career and technical education shall have an industry certification credential in the area in which the teacher seeks endorsement. If a teacher seeking an initial license in the Commonwealth has not attained an industry certification credential in the area in which the teacher seeks endorsement, the Board may, <u>upon request</u> of the Virginia employing school division or Virginia accredited nonpublic school, issue the teacher a provisional license to allow time for the teacher to attain such credential.

A Provisional license only may be issued at the request of the Virginia employing school division or the Virginia accredited nonpublic school.

Step 12: Applicable to Individuals Seeking an Initial License with an Endorsement as a School Counselor: Training in the Recognition of Mental Health Disorder and Behavioral Distress (School Counselors Only)

Individuals seeking initial licensure with an endorsement as a school counselor must include verification of this statutory required training in the recognition of mental health disorder and behavioral distress, including depression, trauma, violence, youth suicide, and substance abuse. Refer to <u>Superintendent's Memo #313-17</u> for additional information on training options to meet this requirement.
